COMPANY PROFILE

ABOUT US

INTRODUCTION

Aznas Company Limited is a company with a good expertise and experience in printing, promotion, branding and design industry. However, we also take pride in our skilled photographers and videographers who work with an effort to give you stunning results.

Our company focus is on the client's needs and offers each client a dedicated and esteemed services aiming at total customer satisfaction.

Through our angled approach we can create the brand identity you require and build your brand awareness through the countless services and products we offer. We offer services that help you to establish your market presence through visual identity and audiovisual means such as photography and videography.

We understand the importance of making a good impression of your company or brand. Therefore, our creativity will add value in transforming your company's corporate image into a power punch. Our strength is boasted on an extensive network and knowledge of the marketing and communication industry. The added availability of different expertise from a pool of associated companies that enable us to deliver quality services and products.

BACKGROUND.

AZNAS COMPANY LIMITED was built on the strength of a thorough understanding of the complexity of communication requirements. In understanding that, we are meant to offer super skills and resources towards meeting the needs of our client who realize that an investment in communication and marketing is vital to their future existence. In such, we set two departments which are AZNAS STUDIO which deals with Audio and Visual Communications such as Voice over, Videography and Photography and AZNAS PRINTING which deals with Graphic design, Printing, Embroidery, Signages etc.

VISION

To become the Market Giant in Printing, Branding, Embroidery, designing company in Tanzania that spreads its knowledge and values faster to all over Africa. As well as to build a long-term value of the Company and adding relationship with our clients based on knowledge of their business strategies of their imperatives and needs.

CLARITY

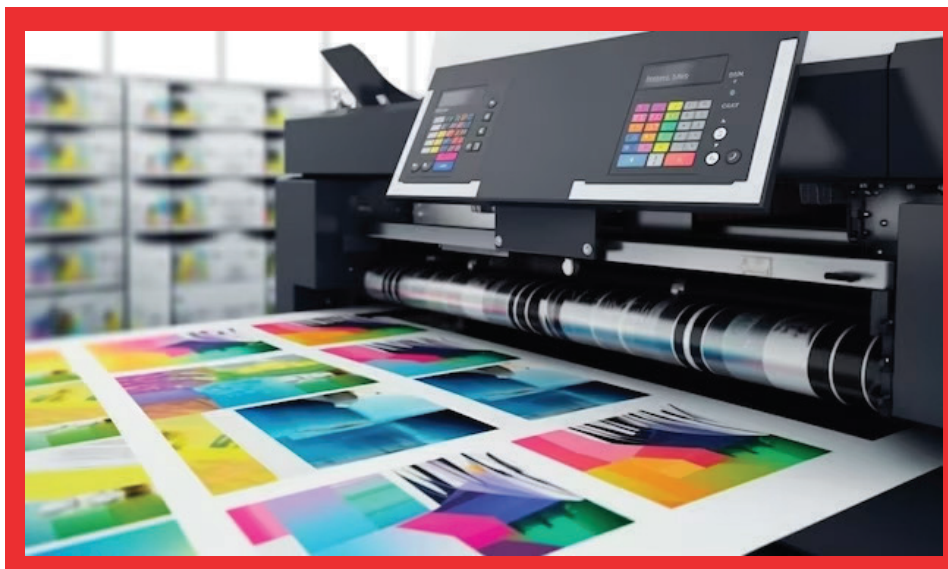

We strive to achieve CLARITY and simplicity in our business practices. Rather than overwhelming our clients with a lot of choices which often results in endless decision making.

FOCUS

is on YOU; our valued client. We want your project in our hands to be fun and memorable experience that will be cherished for long. Let your project be photography/video session or creative design, we really want to offer memorable moment every time we work on your project.

MISSION

- To offer our clients top quality services and innovative integrated creative design and print solutions, photography and videography, that fulfill their needs and effectively build their brand awareness.
- To offer a truly marketing expertise and experience from client service to the final product.
- To provide a one stop communication base offering consolidated services and products in marketing and communication.
- To consider working and serving our clients on time with meeting deadlines as per clients requirements and orders.
